Re: Miami World Center Community Development District
Notice of Intent to Award Security Services Contract

Dear Mr. Vazquez:

The Miami World Center Community Development District (“District”) received nine (9) proposals to provide security services in response to its Request for Proposals (“RFP”).

On September 15, 2020 the District Board of Governors (“Board”) reviewed the proposals at their noticed public meeting. In accordance with the Board’s scores, Allied Universal Security Services was ranked the top proposer. The purpose of this notice is to inform you of the District’s intent to award the District’s contract for security services to your company. A District representative will be in contact to discuss the contract.

Please note that a failure to file a protest within the time prescribed in Rule 5.2 of the District’s Rules of Procedure shall constitute a waiver of proceedings under those Rules.

The District appreciates the interest you have shown in this project and thanks you for your efforts in responding to the RFP.

Sincerely,

Cindy Cerbone
District Manager
